Peraclean™ 5% (Peroxyacetic Acid Solution) (EPA Reg. No. 54289-G)

Dear Ms. Terry:

As per your request, I am providing the CFR citations that permit Degussa's hydrogen peroxide and peroxacetic acid products to be used as sanitizers on food-contact articles:

Peraclean 15% (EPA File Symbol No. 54289-U): 21 CFR §178.1010 (b)(38)

Peraclean 5% (EPA File Symbol No. 54289-G): 21 CFR §178.1010 (b)(30)

As we discussed, this is the last piece of information that EPA requires before finalizing the review of these products. Please contact me at 914-265-7880 if you have any questions. In addition, when the notices of registration are finalized, I would appreciate it if you would fax them to my attention at 914-265-5581. Thank you again for your assistance with these applications for registration.

Sincerely,

Kari E. Mavian
Agent for Degussa Corporation
